SUSTENTABILIDADE SUSTAINABILITY

O Onyria Marinha Cascais, Vignette Collection integra a sustentabilidade em todas as suas operações, com processos digitais para reduzir o uso de papel, um programa de reutilização de toalhas e lençóis, e amenities recarregáveis nos quartos. Detalhes ecológicos incluem kits dentários de bambu, janelas térmicas e uma política de mudança de roupa de cama a cada três dias.

Nas salas de reunião são utilizadas garrafas de água reutilizáveis e sinaléticas digitais.

O Hotel tem ainda painéis solares, iluminação LED, carregadores para veículos elétricos e sistemas de água filtrada.

*Onyria Marinha Cascais, Vignette Collection integrates sustainability into all its operations, with digital processes to reduce paper usage, a towel and linen reuse program, and refillable amenities in the rooms. Eco-friendly details include bamboo dental kits, thermal windows, and a policy of changing bed linens every three days.
In the meeting rooms, reusable water bottles and digital signage are used.*

The hotel also features solar panels, LED lighting, electric vehicle chargers, and filtered water systems.
